

STILL NO PLANS

CHAPTER #10 FROM
GUERRILLA GARDENING
BY THE BAND CALLED OH

LYRICS

Girl I've got no plans for the future
(How about you, how about you?)
And your schedules free I presume
(That's what I thought, you've got nothing to do)
I'm not saying you look like unemployed
(I know you've got a gig as well)
But I got work I need you to do, do, do-do

Baby, how can I get over you
When you're under me?
Baby, how can I get over you
When you're under me?
Baby, how can I get over

Ain't a bad thing to live in harmony
(You can come to my barbecue)
Picket fences and Swedish cars
(Watch the kids play the sand box)
A coupé, no you'll need an SUV
(Or an ATV or a scooter)
Cause the height keep you in control, o-o-o, o-o-o

Baby, how can I get over you
When you're under me?
I said, baby, how can I get over you
When you're under me?
Baby, how can I get over you
When you're under me?
I said, baby, how can I get over you
When you're under me?

Baby how can I get over you...
When you're under me?
I said, baby, how can I get over you
When you're under me?
Baby, how can I get over you
When you're under me?
Baby, how can I get over you
When you're under me?

O-o-o-o

Do you think it snows in Bali now?
January - magnetised that's why we stay
High enough for us to see the Pole
Cause you know I
Love the way it makes you dance
